29 Maple St. Stoneham, MA 02180

**Our Motto: To live and share the truth about God and His Kingdom.**

***Our Mission Statement: We are committed to sharing the truth about God with the world. Believing that everything we do changes the world, we commit to demonstrate God's love and truth to each person He brings into our lives. Through His power and guidance we will choose to act with compassion, creativity and cooperation.***

## *Todays Organ Music*

Organ Prelude: J. S. Bach (1685-1750): Fantasia in C Minor for organ, BWV 537

Organ Postlude: J. S. Bach (1685-1750): Fugue in C Minor for organ, BWV 537

The Fantasia is based on two pedal points and the imitative treatment of a lament motive, almost identical to the aria from St Matthew's Passion where Peter weeps bitterly after just having betrayed his Saviour. The Fantasia concludes in an open-ended fashion on a half cadence, forming an organic bridge to the Fugue.

With the Fugue, Bach takes a lyrical form and uses it as a vessel for contrapuntal development with two subjects, A and B. He focuses on the contrasting nature of the two themes and their differing treatment. Perhaps nowhere is his writing more concise, direct, and intense than in the Fugue of the Fantasia and Fugue in C Minor.
