

Stoneham Memorial Seventh-day Adventist Church

29 Maple St. Stoneham, MA 02180

Our Motto: To live and share the truth about God and His Kingdom.

I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come.

REVELATION 14:6-7

Our Mission Statement: We are committed to sharing the truth about God with the world. Believing that everything we do changes the world, we commit to demonstrate God's love and truth to each person He brings into our lives. Through His power and guidance we will choose to act with compassion, creativity and cooperation.

Today's Organ Music

Prelude: Theodore Dubois (1837-1924): 'In Paradisum' (#9 from '12 Pieces for Organ)

Postlude: Johann Sebastian Bach (1685-1750): Fugue in C Major, BWV 545

Theodore Dubois imagined the Paradise in ethereal and serene colors, with a delicate chant accompanied on the flute registers by the slow and undulating movement of angels' wings.

Dubois, an exceptional musician who was the organist of Madeleine church in Paris and director of the Paris Conservatory dreamed of being celebrated for opera music but is mostly remembered for his numerous religious compositions.

The fugue in C Major, BWV 545 builds as a grandiose, festive and imposing monument from 4 simple consecutive sounds. It is the first of the great preludes and fugues from the mature period of Bach, who described his contrapuntal compositional technique as: 'when a voice has nothing to say it has to be quiet'. As for the interpreter, he also had a simple advice: 'hit the right key with the right finger at the right moment'. What could be easier?
