Healthy Living Challenge

Many thanks to the 20 persons who participated in our ongoing Healthy Living Challenge on Sabbath April 19. Most of those coming for the second time were delighted to see an improvement in their health; the newcomers are eagerly anticipating younger healthier bodies at our next health age screening in July. Key to this past week's success were the volunteers - those who helped set up the room and pack up at the end; those who did blood pressures, distributed literature, worked on the computer, checked body fat percentages. We are indeed very grateful!
